A *Celebrity Skin* Interview

DAVE ATTELL

By Ramsey Steele

Celebrity Skin Senior Editor Ramsey Steele recently caught up with legendary comic Dave Attell (late of the wildly popular Comedy Central TV show *Insomniac with Dave Attell* and currently out on the road tearing it up in comedy clubs and theaters across the nation). The two spoke about celebrities, skin, pornography and Attell's most recent project, his acclaimed 2007 HBO stand-up special *Dave Attell: Captain Miserable*, which is now out on DVD.

CS: It's been years since we've seen you doing an extended stand-up show on TV, but *Captain Miserable* shows that you're still at the top of your game when you're live and onstage.

ATTELL: Thanks! Yeah, it's an hour-long special and it took some time, but HBO really gives you creative freedom. I go way back with HBO. I did a half-hour for them, and I did a "Young Comedians" special years ago with Garry Shandling.

CS: What's changed about you and your act since then?

ATTELL: Well, this one's an hour long. And when I did the half-hour one, I actually had hair.

CS: Did you make any special preparations for this special?

ATTELL: Going into the show, I wasn't sure of the order of it. Going on *Letterman*, you can get the order down—it's only a seven-minute set. For this show, I had all the material and I had a beginning and an end. But for an hour-long show, there are so many twists and turns and you have to plan it out. I want the audience to get to know me, then I want to do my harder material, and then a certain amount of sex material, but not too much, and so on. My jokes usually connect to each other, and the stress is in making the connections work.

CS: You make it look effortless, but it sounds like a lot of work.

ATTELL: Yeah, it's work. I had a lot of respect for George Carlin before, and I have amazing respect for him now. This guy has done something like *twenty* hours for HBO. That's beyond the limit. I did *one* hour and I'm *still* exhausted.

CS: This show found you talking about a bunch of political topics, which

is something we're not used to hearing from Dave Attell.

ATTELL: Well, I wasn't really political. It was more about my trips overseas to perform for the troops.

CS: Yes, but you talked about the trip for some time, and then you talked about the abortion issue. Might this be a new direction for you?

ATTELL: No, not at all. There are all these political comics, but they never really talk about abortion, and I had a handful of jokes about it and they're part of my act. But that's as political as I get. Everybody wants to talk about the presidential election, but that's not my cup of tea. Everyone has an opinion and my opinion is just fucking *vofe*. At the end of the bit, I make a point of saying 'That's the only political joke I have.'

CS: Alright—enough of this comedy deconstruction; let's talk about porn.

ATTELL: Great!

CS: What were your first introductory porn experiences?

ATTELL: I discovered real porn like everyone else—magazines at my parents' house. You know—an old *Playboy* with a Barbi Benton spread, some harder mags like *Puritan* and *Cheetah*. It was all magazines, usually under the covers with a pen flashlight.

CS: How innocent!

ATTELL: As for the media thing, I jumped on the VHS train early on. I still have a duffel bag of tapes in my closet and it's very hard to explain when people stumble into it. I'm thinking of gluing all of my tapes together and making some kind of performance art piece out of them. The beauty of it now is that they've started to decay--the tapes will break or smoke will start coming out of the VCR.

CS: We always say that porn isn't supposed to be pretty.

ATELL: I made the switch over to DVD some years back—initially because they're easier to hide. You put them in with your CDs and nobody knows what it is.

CS: Who were your favorite stars back then? The ones that you have on tape, but probably not on DVD?

ATELL: Oh, boy—let's see. I loved Anita Dark and Christy Canyon. And Ashlyn Gere. I like a lot of those Eighties porn stars—they all had those Eighties hairstyles. Jessica Drake is another hot one.

CS: You're talking about a time just at the dawn of the adult star system era—right before performers like Jenna Jameson took off.

ATELL: Yeah—though I have to say that I'm a big fan of the amateur stuff, too.

CS: What are your feelings on non-narrative porn and compilation material? Things like *Black Dicks*, *White Chicks*, Part 2?

ATELL: I'm a fan of that. I never really got the stories. I started collecting the old stuff based on the sex. *Teen Tryouts*, the old Alpha Blue stuff. I like to get down to business. Now, there's a size war going on out there, like in the *Monster Cocks* series, where they have freakishly gigantic cocks with cumshots that go on way too long. Porn has become more like *Fear Factor* these days.

CS: And as we specialize in celebrity skin here at *Celebrity Skin*, what celebrity titillation in movies and TV has worked for you in the past?

ATELL: Oh, I loved Susan George in *Straw Dogs*. There was something so hot about her in that movie—the way she works those guys. And Cinemax used to have those movies with Shannon Tweed—the *Night Eyes* movies and all those erotic thrillers. But I like it rougher, too; you know—those movies with evil housekeepers who seduce everyone. I have to say that my favorite explicit sexual movie would have to be the Larry Clark movie *Bully*. All the chicks in that are really hot and at the end of the movie, they show you what the real girls who they were based on look like! And, yow—that's the most frightening part!

CS: Who turns you on the most these days?

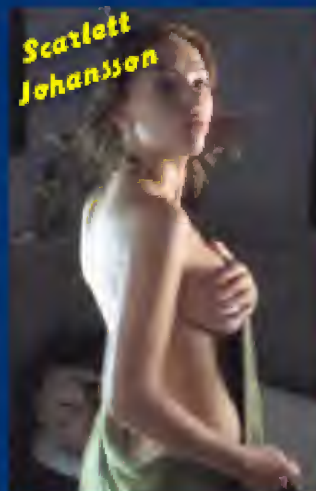

ATELL: There are some girls who are just flat-out beautiful, like Scarlett Johansson. I would pay to see her fuckin' nude. Jennifer Connelly is always hot—I really liked her in *Requiem for a Dream*. Let's see...Angelina Jolie in that movie with Antonio Banderas, *Original Sin*. Monica Bellucci in *Irreversible*. Oh, and Rosario Dawson in *Alexander*.

CS: You're a man who knows his celebrity skin. Let me ask you—would you do a nude scene in a film if the part were right for you?

ATELL: No!

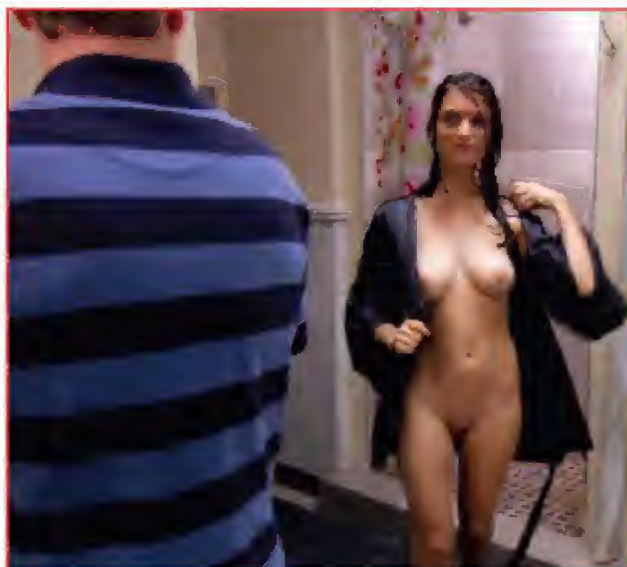

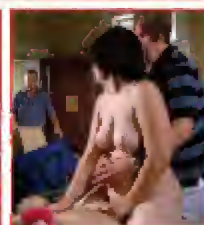

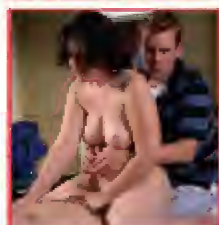

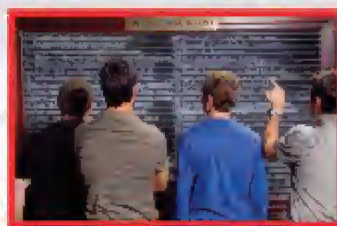

CS: That's it? No joke? You wouldn't even show your ass?

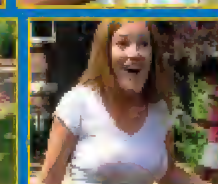

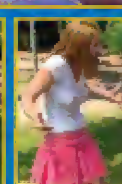

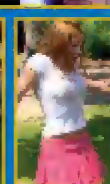

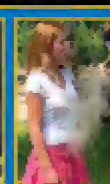

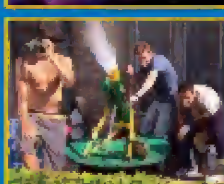

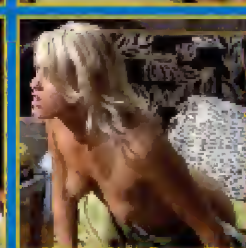

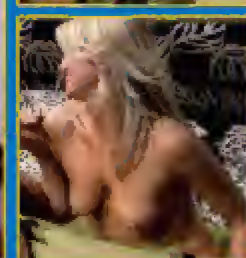

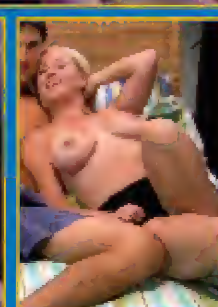

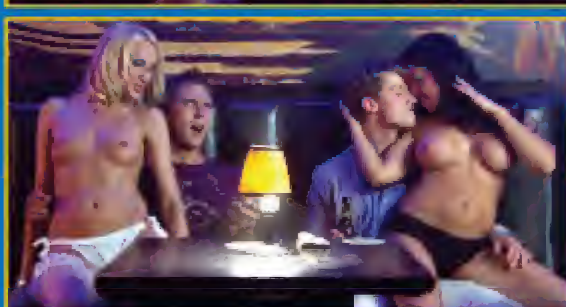

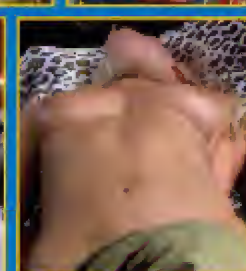

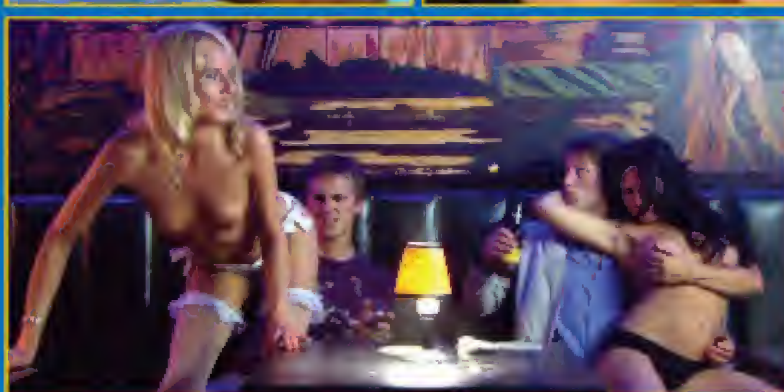

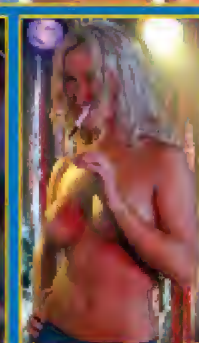

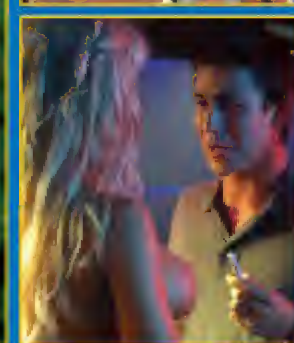

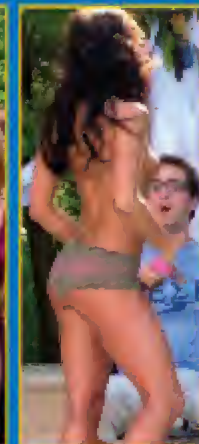

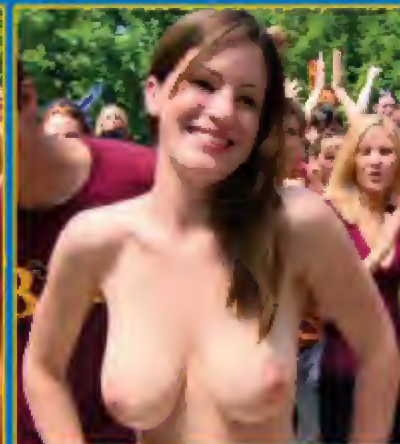

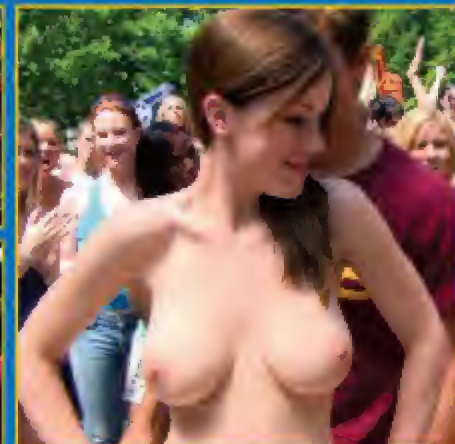

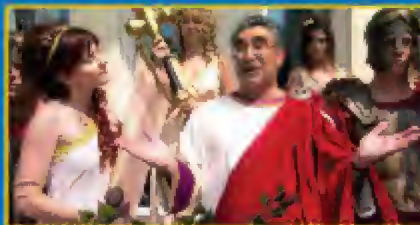

ATELL: I wouldn't. And I think that's the thing that destroyed Michael Douglas' career!

AMERICAN PIE PRESENTS BETA HOUSE

A film that features a character named "Cooze" is a flick we love, and *American Pie Presents: Beta House* (2007, spread) is no exception! With frat-boy heaven, *Beta House*, presided over by none other than legend-in-his-own-groin Dwight Stifler, binge drinking and binge *bangin'* abound...till a rival nerd-frat forces them to fight for their right to party!

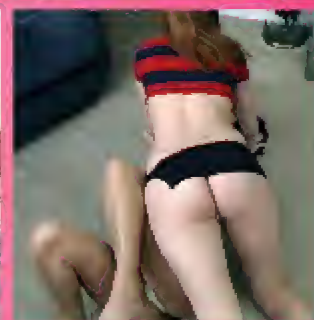

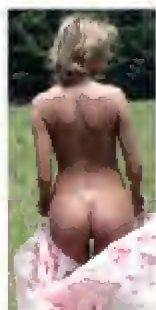

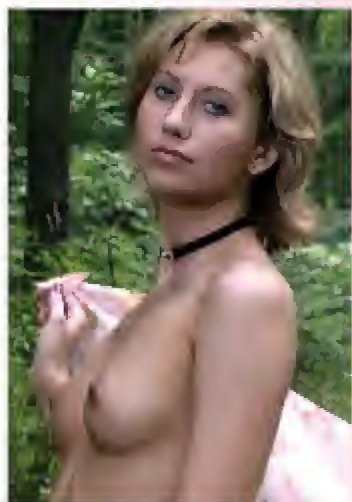

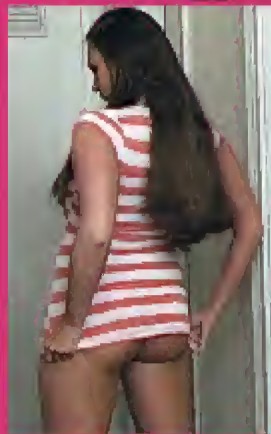

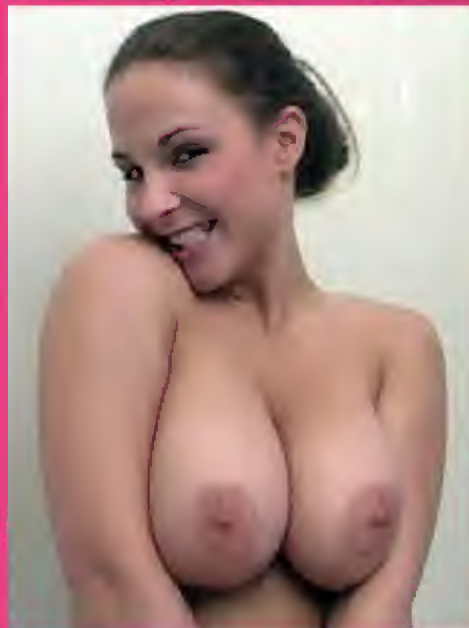

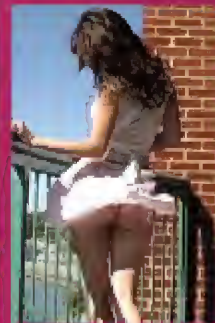

When in doubt: lick it, slam it and suck it—so goeth the credo of the Beta Boys! Add some pierced nipples and the *poon-party* goes 24/7!

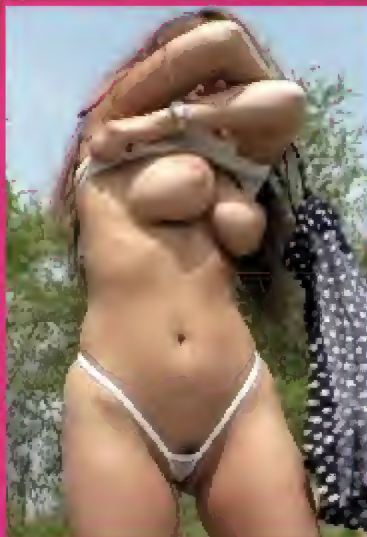

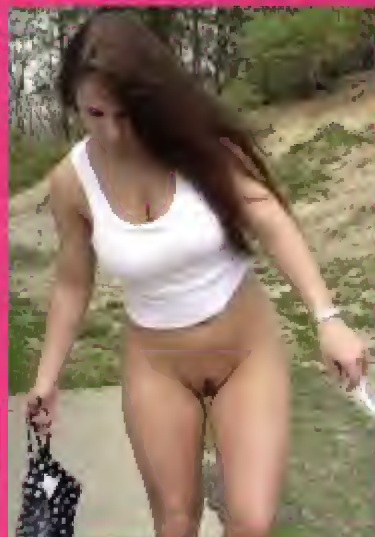

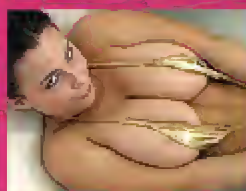

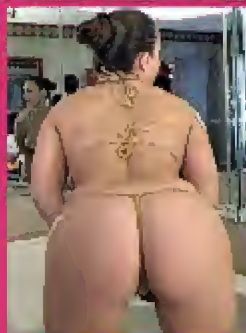

SWEET SATISFACTION JASMINE GREY

CandyGirl Video's *Sweet Satisfaction: Jasmine Grey* (2007, spread) features nonstop *huge*, totally suckable and tug-worthy tits on DVD—just think of it as *Teat Sa-tis-faction* with a young, lovely and uninhibited plumper!

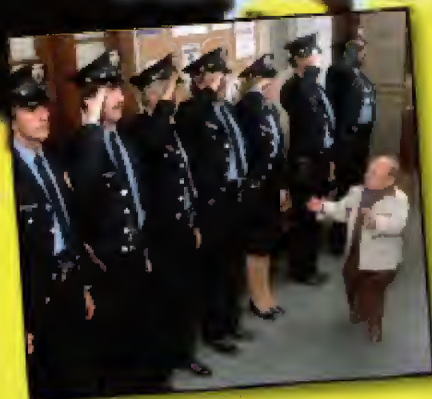

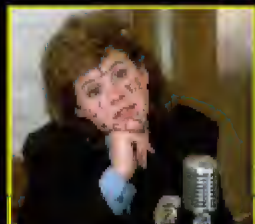

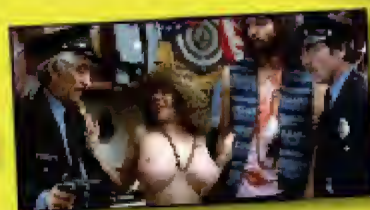

Jasmine's only 4'11", but we're pleased to see that most of her lusciously voluptuous, yet petite body is taken over by titty flesh and a *big*, juicy booty that has to be pinched and spanked to be believed! This midwestern miss flaunts her *real* 34Ds and jaw-dropping *trunk-junk*—girly-meat that'll make you wanna *beat*!

MIDNIGHT MOVIE

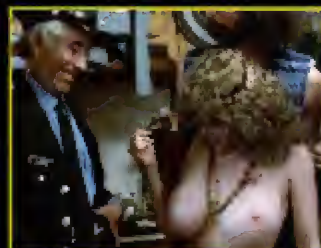

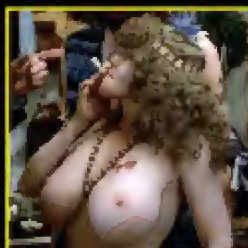

NIGHT PATROL

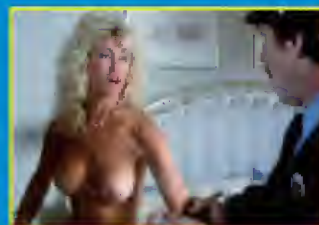

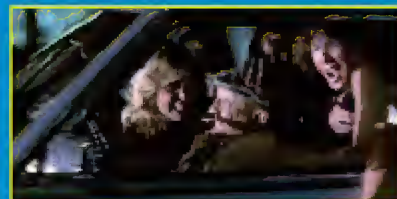

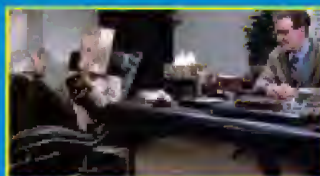

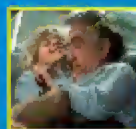

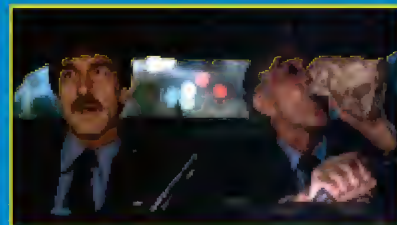

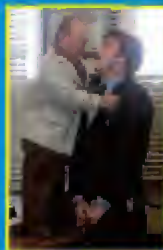

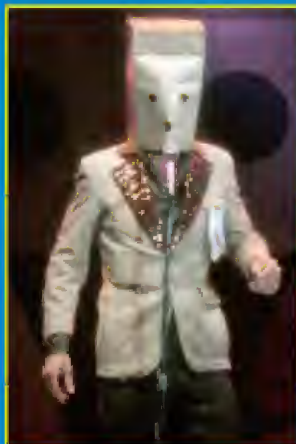

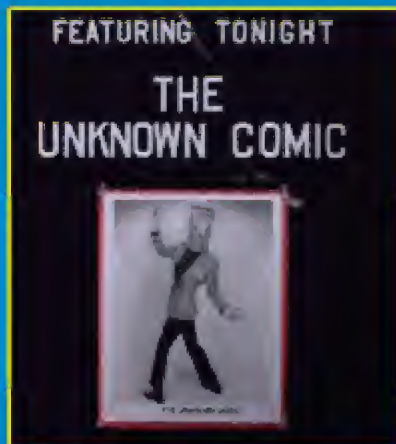

Night Patrol is one of the many '80s films that tried to combine the joke-a-minute comedy of *Airplane* with the two-mamms-for-every-man whackability of *Porky's*. This film almost succeeds. So what makes this film the perfect midnight movie? Well, one angry midget, two hapless cops, countless juicy jugs, a plethora of punchlines, Linda "Headspin" Blair and one unknown comic!

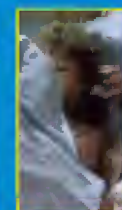

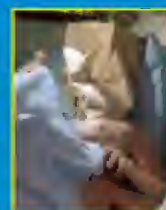

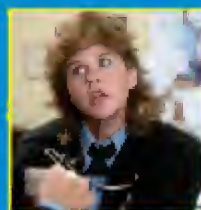

When Officer White (Murray Langston) screws up, his diminutive yet tyrannical boss (Billy Barty) demotes him to Night Patrol. White's teamed up with grizzled vet Officer Lane (Pat Paulsen), who teaches him the ropes. They arrest topless toker Kitten Natividad (right) with the words, "This is a bust!" They're damn right!

When he's not pursuing bad guys, Officer White pursues his showbiz dreams by performing as The Unknown Comic—a paper-bag-clad comedian. While on duty, he meets Lori Sutton (left), who complains about a Peeping Tom—while reenacting the crime! Even Linda Blair shows some one-bag boobage (below)!

TV's TASTIEST T&A

First, they called it a television set. Then, a television, and then, a *color* television and, today—just plain, ol' TV. The latest TVs are flatscreens, but these hotties are bustin' out enough to call it "the T&A machine!"

KATHERINE HEIGL

BORN: November 24, 1978, Washington, D.C.

SEXY SIGHTINGS: She's become America's succulent sweetheart since starring in the hit series *Grey's Anatomy* (opposite page, right and bottom) as Dr. Isobel "Izzie" Stevens, but this curvy, princess-faced blonde has had dongs in a tizzy before! In *Descendant* (2003, below), she made certain...*male appendages* lengthen, thicken and descend with her sizzling, retro-bra *perky*-formance as not only Ann, but also Emily, Hedgerow, lover(s) of a descendant of Edgar Allan Poe. As *both* women, Katie's so insatiable while getting pumped, she makes the raven quoth, "Give her *MORE!*"

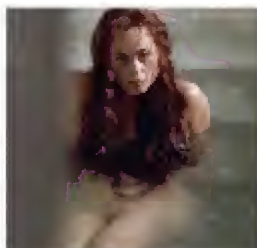

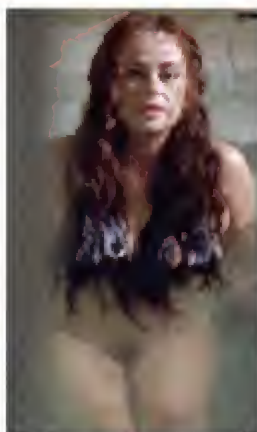

BABE'S ANATOMY: Katie wants roles that showcase her creativity, versus her bra size...but we suggest she stick to focusing on her *luscious boobs*—just like we do! As Karly in *Side Effects* (2005, opposite & above) she gives *us* great *size* effects!

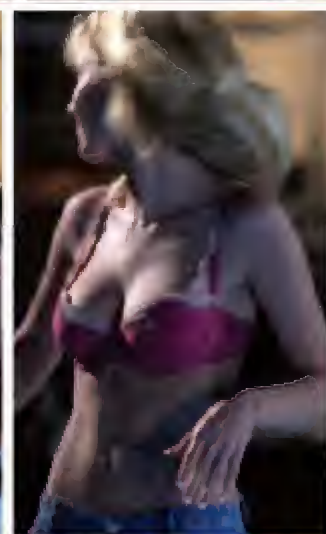

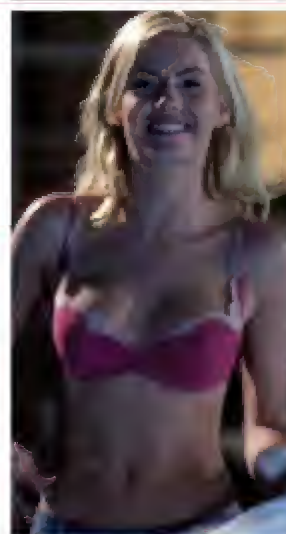

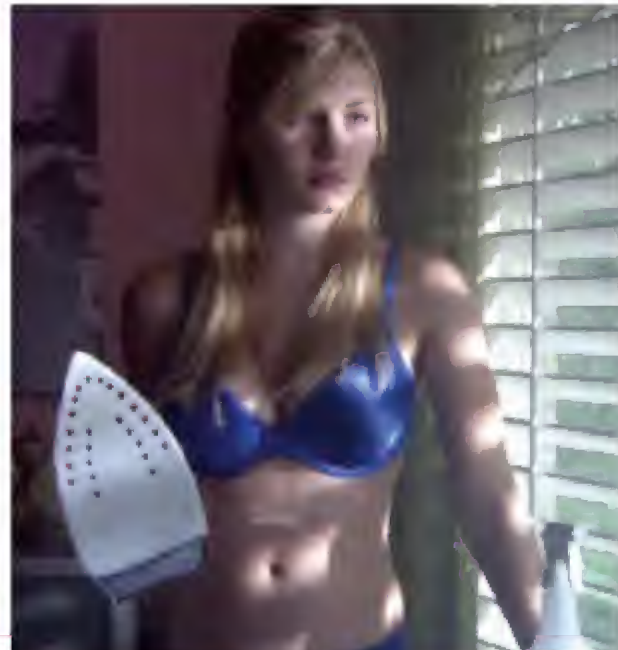

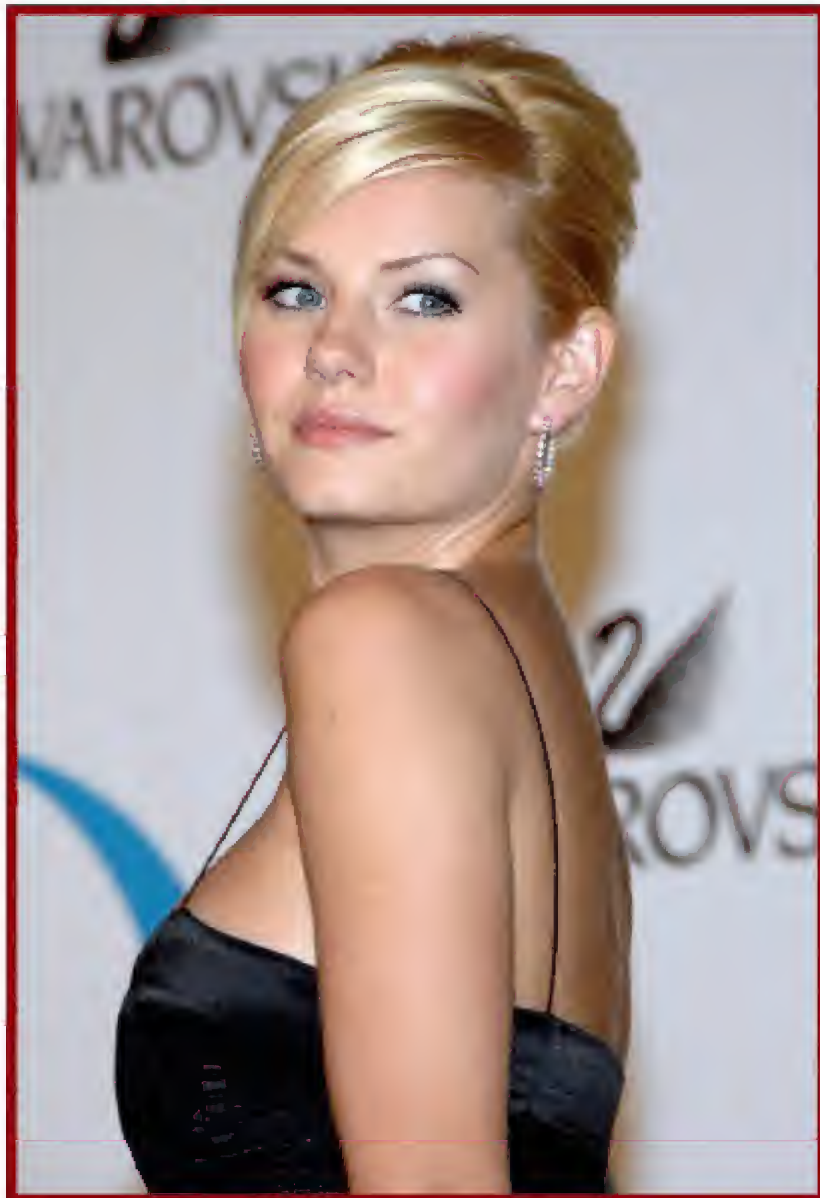

POLLY WALKER

BORN: May 19, 1966, Warrington, Cheshire, England, UK

SEXY SIGHTINGS: With her thick, long, auburn mane (and even thicker bush—a tongue-tantalizing carpet to match the drapes!); cat-like, emerald eyes and abundantly all-woman curves, Polly Walker brings to mind the coveted, fecund, voluptuous beauty of bygone days—which makes her picture-perfect as amoral bed-warmer and mistress-style master-manipulator Atia of the Julii in HBO's antiquity-epic, *Rome* (this page). No wonder her gorgeously low-slung and all-natural *golden globes* earned her a Golden Globe nomination! As the niece of Caesar, Polly's a *roomy cock-pleaser!*

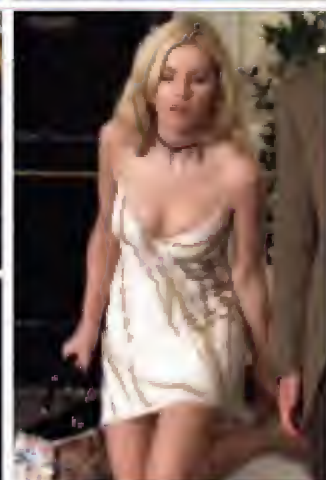

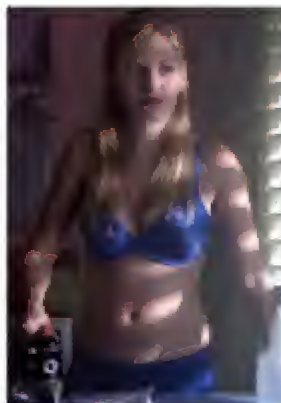

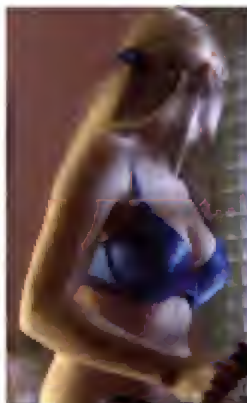

ELISHA CUTHBERT

BORN: November 30, 1982, Calgary, Alberta, Canada

SEXY SIGHTINGS: She made a name—and foxy-fresh fame—for herself in *The Girl Next Door* (2004, right) playing anything *but*, in fact, she was a *porn star*! As Danielle, a *gash-for-casher* trying to “go good,” Elisha embodies the sex-made-flesh fantasies of any guy who ever horned-out with his *denim-covered devil*, peepin’ into a nubile neighbor’s windows! Greeting the neighbor boy with, “Hi, I’m all wet. Can I come in?” Elisha as Danielle is like *Risky Business*, only—*friskier*! In *The Quiet* (2005, top right & below), she plays *nasty-girl* Nina—whose hot ass needs a good, hard spanking!

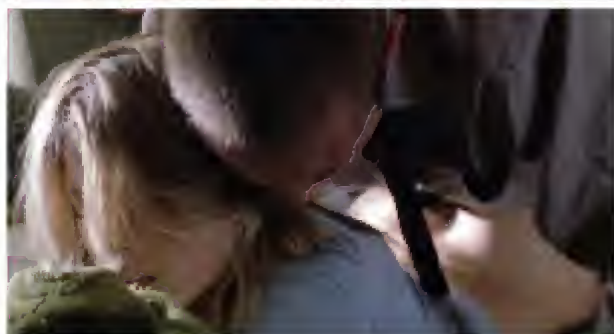

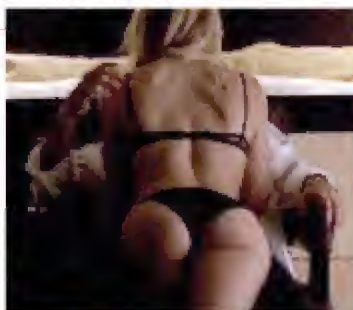

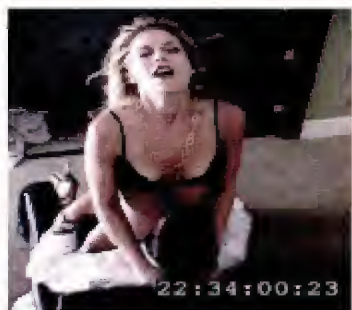

ALI LARTER

BORN: February 28, 1976, Cherry Hill, NJ

SEXY SIGHTINGS: You love/lust her star-making, superhuman-villainess role on *Heroes*, the epic series with a diehard fanbase. As Niki Sanders, Ali accesses the inner, ice-hard coolness of her blond, blue-eyed exterior, transforming an actress who seemed like just another golden-haired girl-next-door into one of the most unforgettable *diabolical-diva delights!* In *Three Way* (2004, this page), an ultra-sexy neo-noir based on legendary pulpster Gil Brewer's classic novel, *Wild to Possess*, when Ali's Isobel's not scheming, she spends her time takin' it rough—from behind!

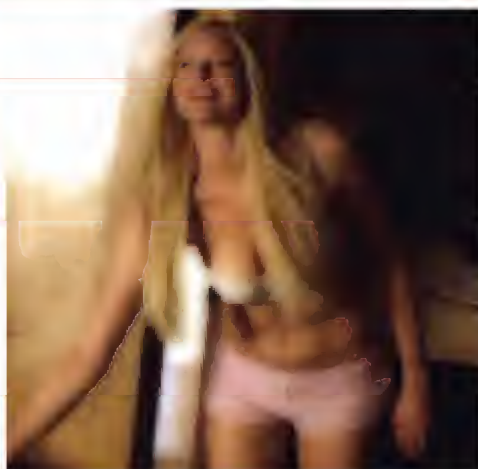

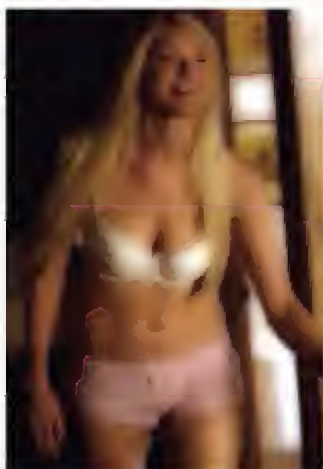

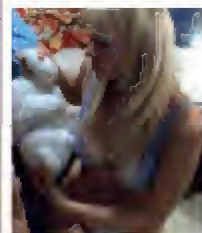

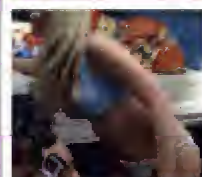

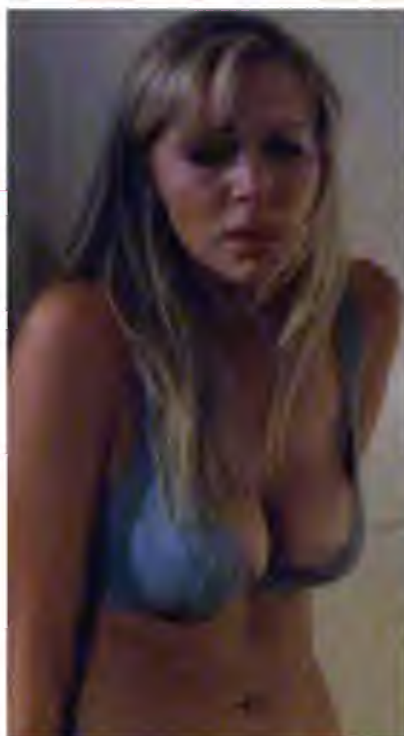

ASS-UP ALI: According to Ms. Larter herself, a dude need not be a gym-jock to get her in this *promising* position: "I hate pretty-looking boys. I'd rather have a guy with a potbelly than one who's in the gym all the time and watches what he eats."

LAURA PREPON

BORN: March 7, 1980, Watchung, NJ

SEXY SIGHTINGS: It's a long, *strange* trip from being redhead-next-door Donna on *That '70's Show* to portraying Karla Homolka, one half of Canada's most despised and infamous serial-killer couple, but letting herself get down, dirty, ruthless and raw definitely did it for leggy Laura. In *Karla* (2006, right), Laura's drained of Donna's sarcasm-laced sweetness and aptly becomes the deviant, sex-obsessed torturer and murderer who, along with her psycho husband, forever changed a nation. Back on TV as Hannah in *October Road*, Laura's closer to red—and back to being beddable!

OLIVIA WILDE

BORN: March 10, 1984, New York City, NY

SEXY SIGHTINGS: *O-face-worthy* Olivia takes a *naughty* walk on the *wild* side in *Alpha Dog* (2006, right and below), a gritty, Cali-based flick about bad-little-rich-teens that'd be almost dismissable—were it not for Olivia's erection-inspiring, highly erotic body...and the fact that the movie's over-the-top events are based on a true story! Featuring "The Timberlake," *Alpha* shows what happens when you mix *The O.C.*-styled entitlement with wannabe gangstas throwin' signs, dealin' drugs—and kidnapping a friend's brother. Seen here, as Angela, "O.W." is bored and asks, "Wanna fuck?"

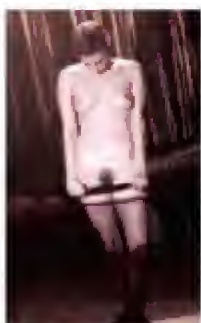

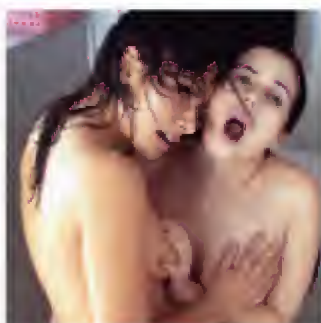

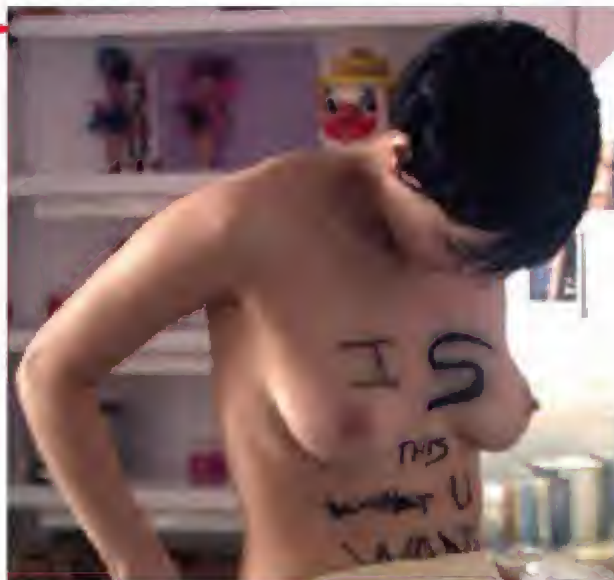

MIA KIRSHNER

BORN: January 25, 1975, Toronto, Ontario, Canada

SEXY SIGHTINGS: When it comes to watching women *give* and *take* with the utmost sexual abandon, there's a visceral clit-pulse to the world of unleashed, bared, naked, raw, real—and very *oral*—lovely ladies depicted in the intense relationships (and requisite doughnut-bumping, *natch/snatch!*) of *The L Word* (this page). Playing Jenny Schecter, Mia started out in the series as a *straight* woman in a committed relationship...only to find that her lesbian leanings not only led her astray, but made her *splay for puss-play!* This gamine pixie gets cuter—and *wilder*—every season! *Meow!*

CHLOË SEVIGNY

BORN: November 18, 1974, Darien, CT

SEXY SIGHTINGS: She's not everyman's beauty, but those who appreciate her unusual looks think Chloë's an edgy cutie! An actress whose career path is the road less traveled, she let herself become *erotically unraveled* in *Boys Don't Cry* (1999, right) opposite convincing-as-a-boy Hilary Swank. As Lana to Swank's Brandon Teena, Chloë goes from girl-in-love to lover-betrayed in this ballsy take on a true-life tragedy. Edgier still, *3 Needles* (2005, below) has Chloë as a nun who gives up her hairy, *holiest hole*, all in the name of her calling! The missionary position has never been so *literal*!

CAUGHT IN THE ACT!

The only thing hotter than babe-watching and catching an unsuspecting hottie in a revealing, *au naturel* moment...is when that hottie's *famous*! The result? Very *adult*—yet unadulterated—**Celebrity Skin!**

VANESSA MINNILLO

BORN: November 9, 1980, Clark Air Force Base, Philippines

SEXY SIGHTINGS: After her widely lensed, alleged, open-air, poolside sex session with her boyfriend, Nick Lachey, Vanessa looks a little lonely in these shots, but nonetheless leggy, lithe, lickable and lovely! Seen here wading in the shallows, caressable Nessa makes us wanna give it to her in the *deep end* of her *ocean*! And she's definitely got the kind of booty that knows how to give good *cocoa-loco-motion*! A former Miss Teen USA, Vanessa's gone from hosting MTV's *TRL* to being the "face" (and ass!) of BONGO Jeans.

WE WANNA UNDRESS-A VANESSA!: Ms. Minnillo qualifies as "something leaner," but her round, ripe, inviting rump proves she's definitely a true Filipina! Here, bringin' the sexy back(side) to hippie chic, she's a paisley, crave-worthy delight!

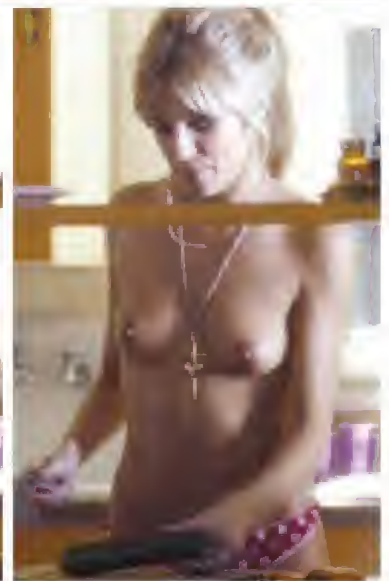

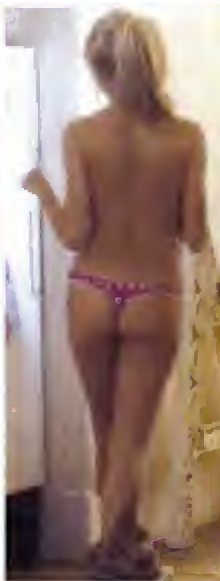

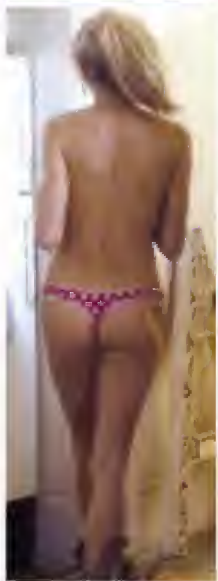

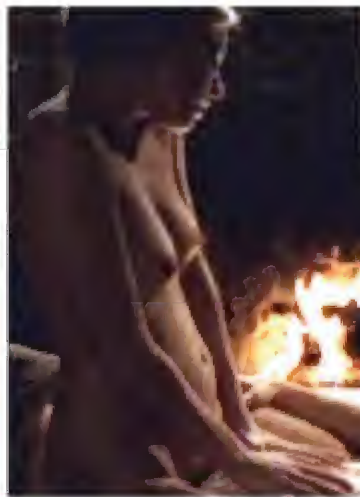

SIENNA MILLER

BORN: December 28, 1981, New York, NY

SEXY SIGHTINGS: When they needed someone to embody the “bohemian chic” of Andy Warhol’s ill-fated muse, Edie Sedgwick, for her biopic, *Factory Girl* (2006, bottom right and opposite page, top), they looked to Sienna, who is, herself, a bohemian, chic—and sensually *satis-factory*! Warhol says to Edie (as played by Sienna), “You’re the boss, applesauce!”—and nothing could be truer also of Sienna, who plays the starlet game by her own sexy, saucy rules. In the *Alfie* remake (2004, opposite, bottom), minx Miller plays Nikki, a debauched model who *seems* undemanding—except in bed!

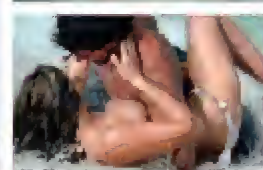

SIENNA'S TANNED CANS: Says Ms. Miller: "It shouldn't be so obvious: push-up bras and miniskirts? Sexiness, to me, is when people are comfortable with themselves." Seaside or on the set, this unabashed blonde clearly feels best...*undressed!*

KELLY BROOK

BORN: November 23, 1979, Rochester, Kent, England, UK

SEXY SIGHTINGS: Bombshell Brook in a bikini—especially *topless*—is enough to make any guy “go native,” and for the dudes of *Survival Island* (2005, this page lower right and opposite, all)... she’s instant *From Here to Eternity*-style sex for the taking! In this *much* steamier—and actually *watchable*—take on Madonna’s colossal-flop remake, *Swept Away*, curvy Kelly is Jennifer, jaded wife of mega-bucks Jack (played by Kelly’s real-life fiancé, chrome-domed Billy Zane). While sea-cruisin’, the couple turns into a tricky-’n’-sticky *threesome* when their yacht sinks and shipwrecked Kelly/Jennifer lets a crewman give her a *lot* more than a helping hand!

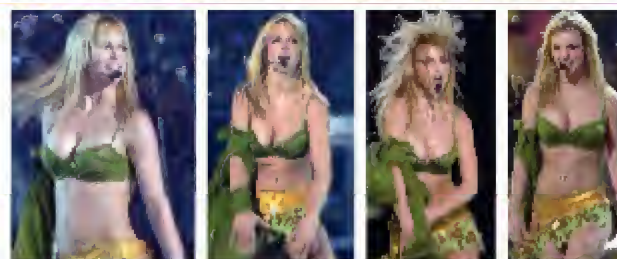

CARNAL KELLY: Millionaire hubbies buy you designer bikinis and sail you 'round the world on luxury yachts, but *Survival Island* teaches Kelly (as Jennifer) a hot, wet lesson: Sometimes it takes "the hired help" to put *da real motion in yer ocean!*

BRITNEY SPEARS

BORN: December 2, 1981, Kentwood, LA

SEXY SIGHTINGS: From Britney to...*Unfitney*, every nip-slip and gash-flash makes us wonder when this booty-blessed, bonkers bit of boy-joy will stop saying, "Oops! ... I Did It Again!" This *Chaotic* cupcake needs to get it together and go back to flauntin' her country-curves in glitter and feathers! Seen recently in one of the many wigs/weaves BritBrit's been sportin' since her baby-smooth noggin'-shavin' night, her "Toxic" T&A still makes us wanna hear her moan, "Gimme More!" Either that drugstore aisle is freezing cold, or she "turned on her headlights" for the paparazzi! *Britney Live from Las Vegas* (2001, left) showcases her former sex-ibility!

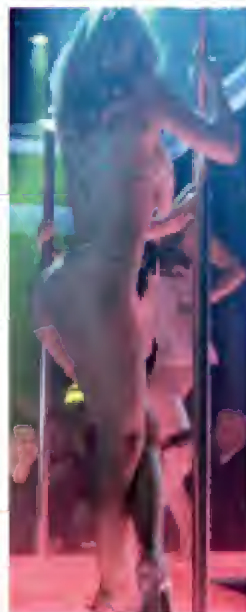

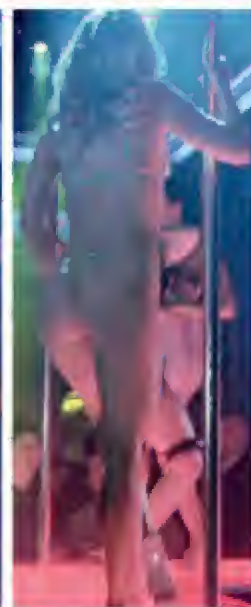

MENA SUVARI

BORN: February 13, 1979, Newport, RI

SEXY SIGHTINGS: In *American Beauty* (1999, right), the movie that launched her career as a breakout bombshell who was lickably *Lolita*, Mena as Angela Hayes was, in many ways (and all of them drool-inducing) the Mata Hari of midwestern middle-class mediocrity—an oversexed teenage nymph spying and seducing in the hopes of giving up her cherry to an undersexed suburban dad. Cheap thrills, teen-y titties and screwing on a mountain of erotically red rose petals made the movie a critically acclaimed box-office hit...while Mena's fresh tits and come-hither lips made men quiver just to hear her whisper breathlessly, "This is my first time."

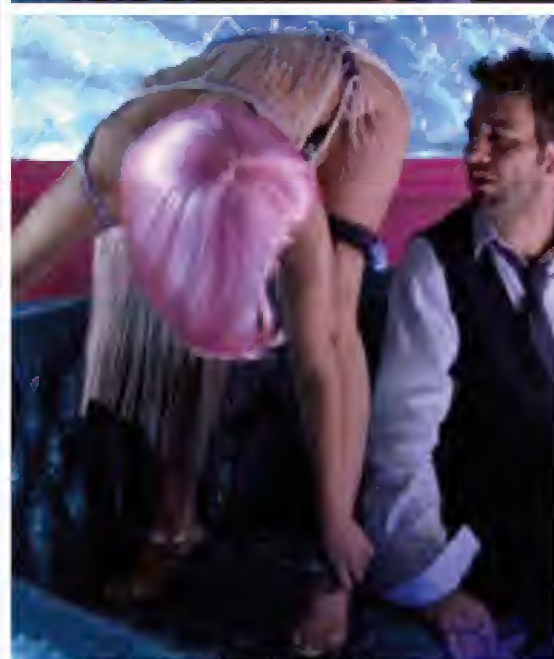

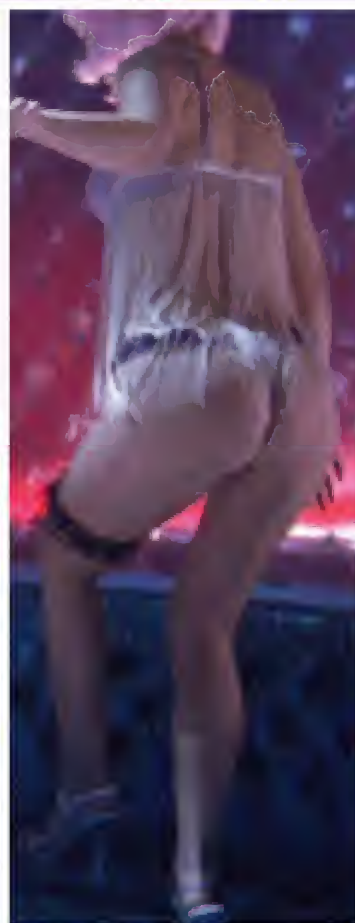

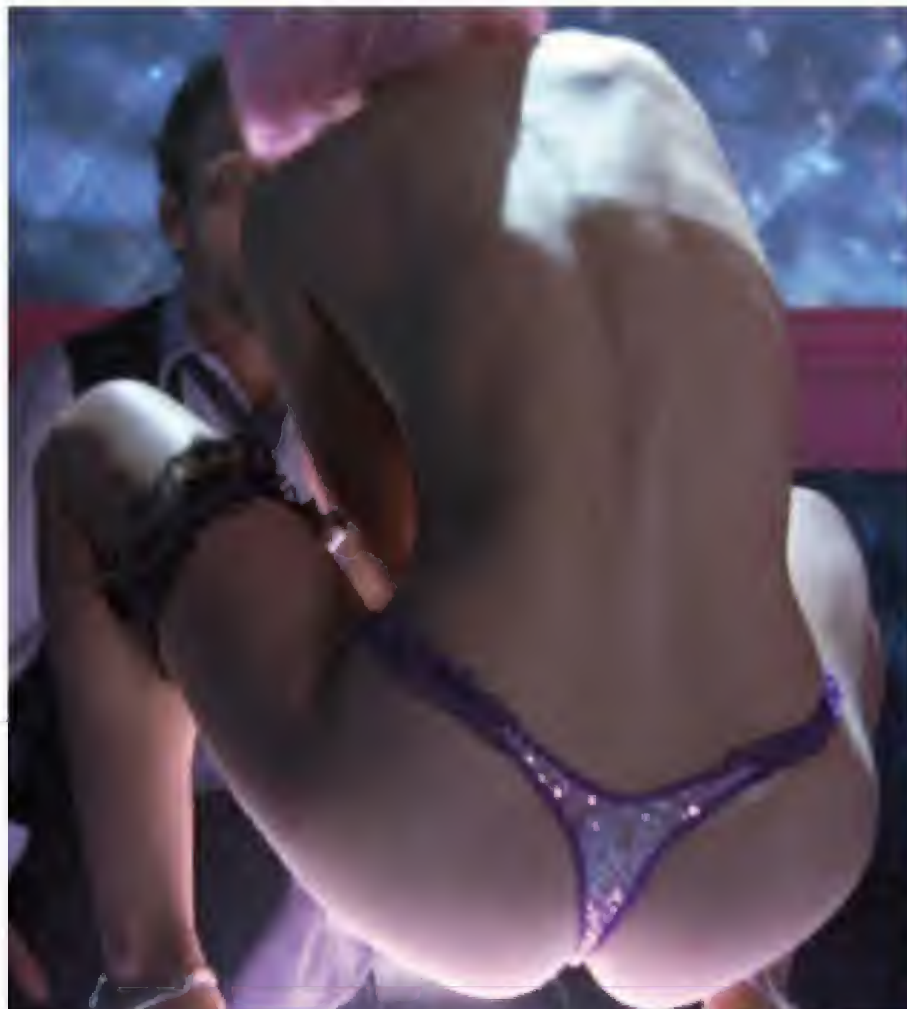

CAUGHT IN THE ACT!

NATALIE PORTMAN

BORN: June 9, 1981, Jerusalem, Israel

SEXY SIGHTINGS: If you and your *not-so-little-with-some-spittle buddy* go for teensy-tiny Jewish girls who are smart, irreverent and savvy, and you favor mosquito-bite titties over big, more-than-a-handful funbags...nymphal Natalie's your girl! Think of her as a miniature Audrey Hepburn and you're getting warm... think of her while you're holding her Princess Amidala action figure from *Star Wars* in one hand, and you'll be yankin' and tuggin' on your fleshy love-saber with the other! *Oy!* May the pumpin'-one-out force be with you!

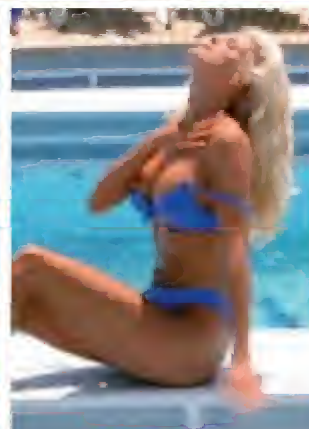

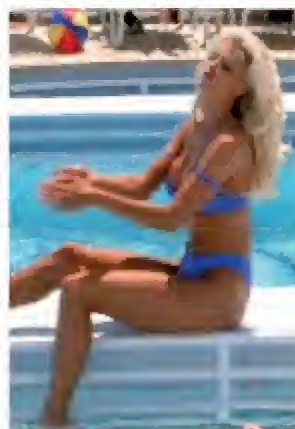

NATALIE PORTMAN'S PLUNDER RUMP-ORIUM: She recently showcased her natural sweetness & light in a movie about a toy store, but in *Closer* (2004, above and left), featuring her most challenging role to date—Nat's body was the toy store!

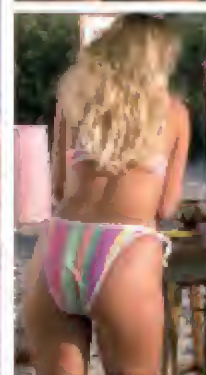

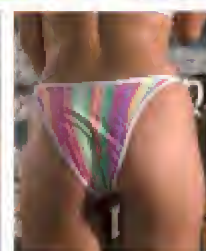

VICTORIA SILVSTEDT

BORN: September 19, 1974, Sweden

SEXY SIGHTINGS: This Swedish glamazon—voluptuous, *va-va-voom* Victoria—is nearly six feet tall (and that's *without* the do-me stilettos!)...a flaxen-haired *cream-dream* with crystal-blue eyes and a flesh-for-fantasy bod that practically *demand*s to be worshipped from head to toe! A former *compe-tit-tive* skier, sex-personified Silvstedt slaloms her *own* outrageous and creamed-up curves in *Boat Trip* (2002, right and opposite, top panels) as Inga, one of only a few *punani-possessing playthings* aboard an all-gay cruise. For the ship's two straight guests—she's a *sexual smörgåsbord*!

SEXPOT-STEDT: Vic won a Best Fake Orgasm contest—no doubt focusing on her own a-buns-dant, lush body till her *lady-lava* came drippin'! In *Boardheads* (1998, above), a by-the-numbers surf flick, she's juggy Julie...ready to "wax" any "board!"

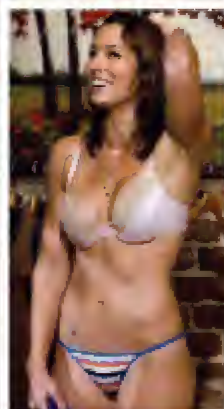

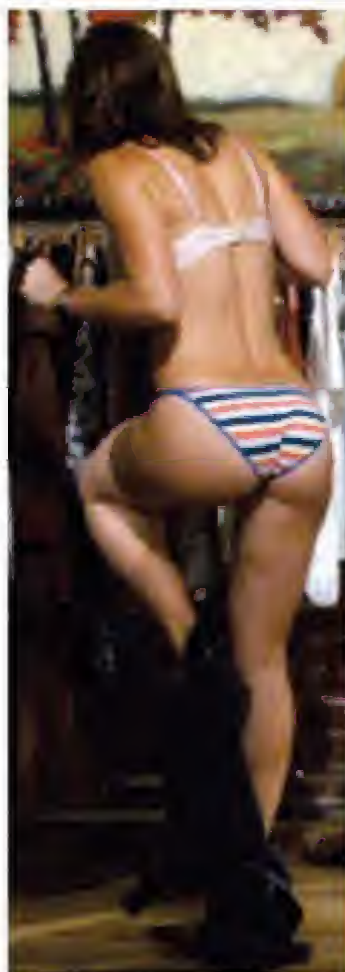

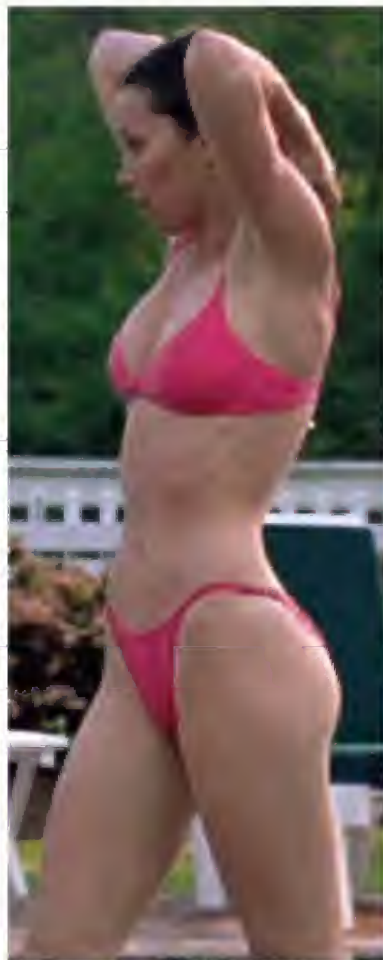

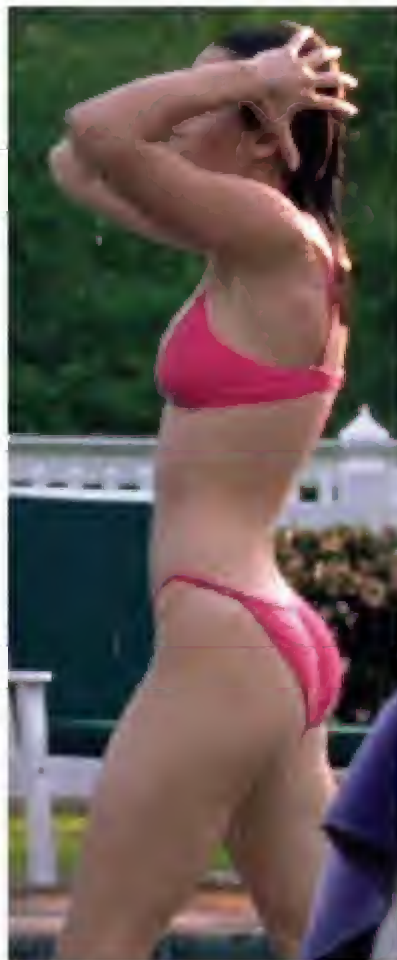

JESSICA BIEL

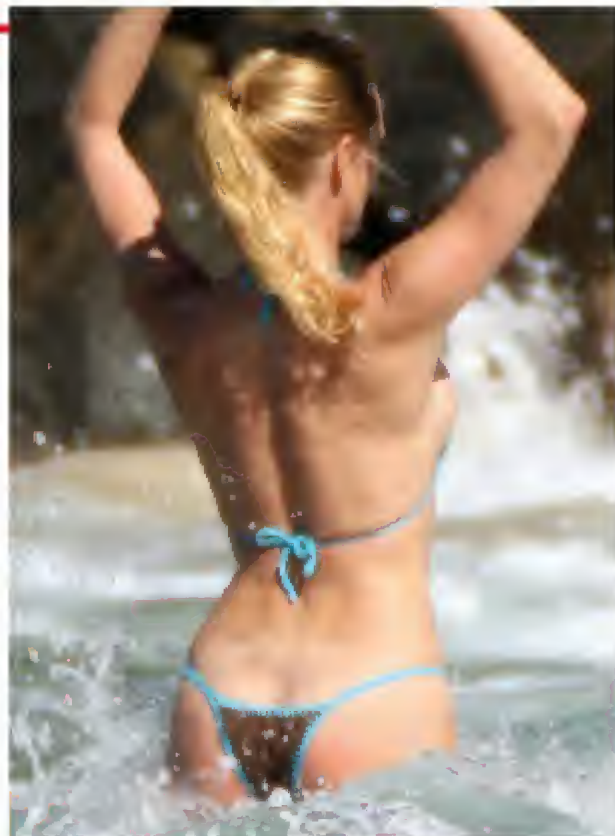

BORN: March 3, 1982, Ely, MN

SEXY SIGHTINGS: Any *boner-brained* bodysnatcher definitely wants to steal Biel! Sunning her tight buns and playing paddleball on the beach or showing (nearly) all in *Summer Catch* (2001, opposite, top), she's a midwestern minx whose striking looks have made her man's toned-'n'-bone-able tomboy temptress! In *Catch*, as haughty-but-naughty Tenley Parrish, she's the perfect-10 preppy who helps a poor local dude from Cape Cod score home runs on the playing field—and with Parrish's *catcher's mitt*! *I Now Pronounce You Chuck & Larry* (2007, opposite, bottom) features Jess as Alex, a lawyer so hot, she turns fake gay guys straight after one hot date!

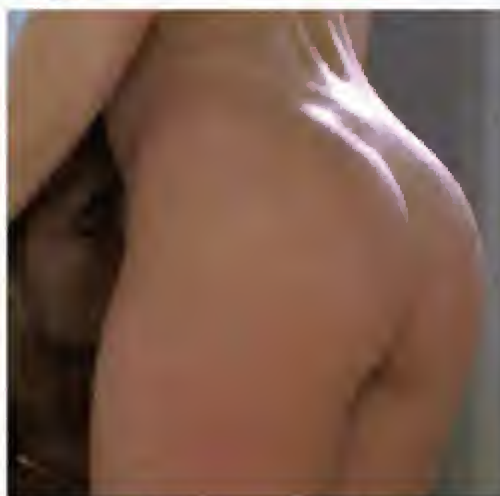

BIEL APPEAL: Sporty, fit hottie that she is, juggy Jess looks best in...*less*! Clearly proud of her all-American, healthy physique, Jess says: "It's nice to have a little meat on you, and I hope I inspire women to appreciate their muscular calves." We agree!

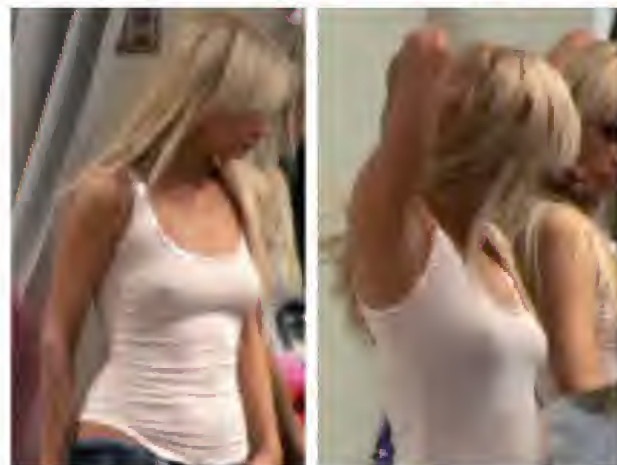

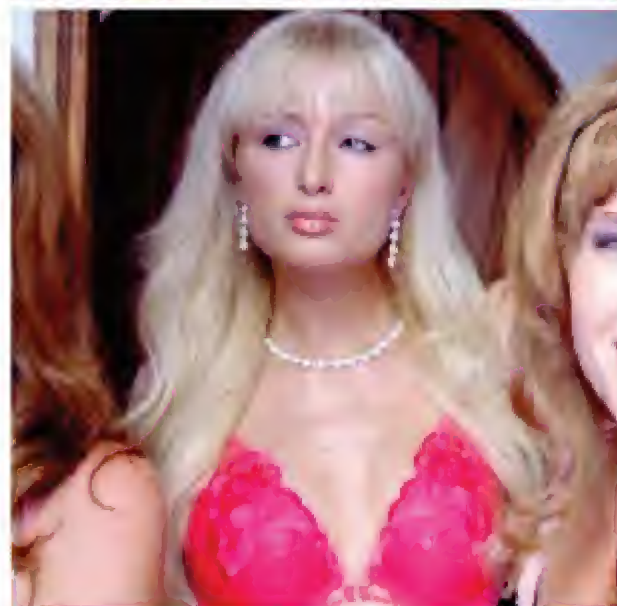

NICOLLETTE SHERIDAN

BORN: November 21, 1963, Worthing, Sussex, England, UK

SEXY SIGHTINGS: If they're giving medals for aging gorgeously, navel-barer Nic should get the gold! Seen here, she hits the beaches of Hawaii with a playful, paradise-styled passion that proves she's anything *but* one of those *Desperate Housewives*! Tall and tan and toting some very firm-looking 34Bs, she's more sylph than MILF and proves she's just as nubile and nervy as ever! *Raw Nerve* (1999, opposite, middle panel and lower left), showcases Nic's perky nips and naughty nethers as she takes on (and takes it all off for) her lickin'-n'-lovin' cop boyfriend. She's rich and he's corrupt, but his need to please her makes for super-steamy sex scenes!

LICKING NIC: *Raw* features Nic getting lavished by Mario Van Peebles' tongue, while *Code Name: The Cleaner* (2007, above right) has the sultry blonde faking out Cedric the Entertainer as his supposed wife! *Sinnin'* and grinnin' suit Sheridan!

PARIS HILTON

BORN: February 17, 1981, New York City, NY

SEXY SIGHTINGS: Even her media-mockery stint in the pokey can't keep Paris from *poking out all over*—much less from maintaining her tan lines! Famous for being rich, tall, blond, skinny, constantly photographed and seemingly willing to seek attention of any sort, she *has* made a few movies, too; after all, even for this debutante, there's more to life than sunning her buns and having tons of *boy-fun*! *Pledge This!* (2006, right) stars princess Paris as Victoria English, the requisite beautiful sorority prez at South Beach U. It ain't neurosurgery, but Paris and pink lingerie=*little-brain* fun!

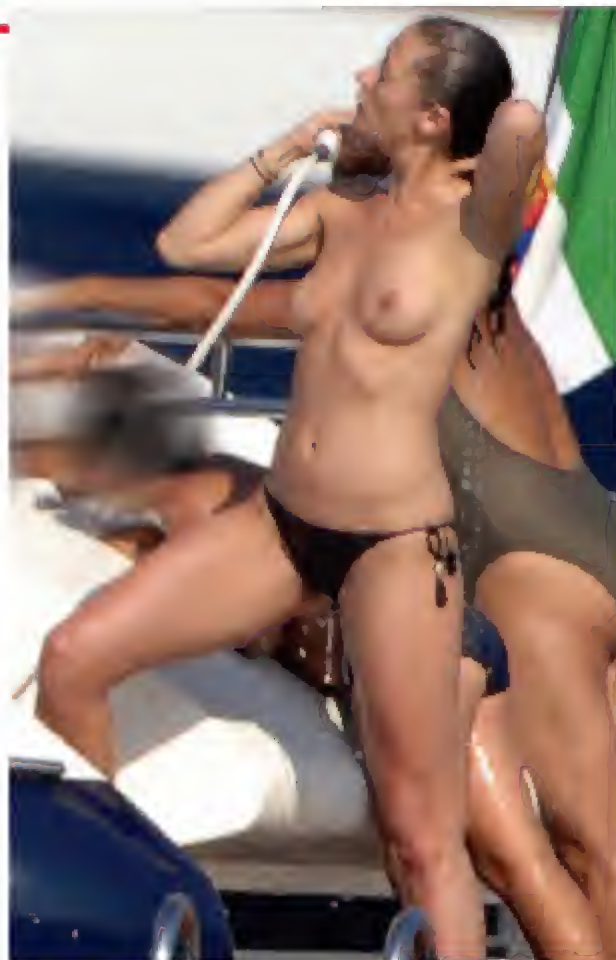

PARIS PERKS UP: Paris loves the camera, or the camera loves Paris, or Paris loves the...okay—we're confused. One thing's for certain, though—put Paris in a bikini on the beach, let the ocean work its motion...and everyone's *tit*-illated!

REBECCA GAYHEART

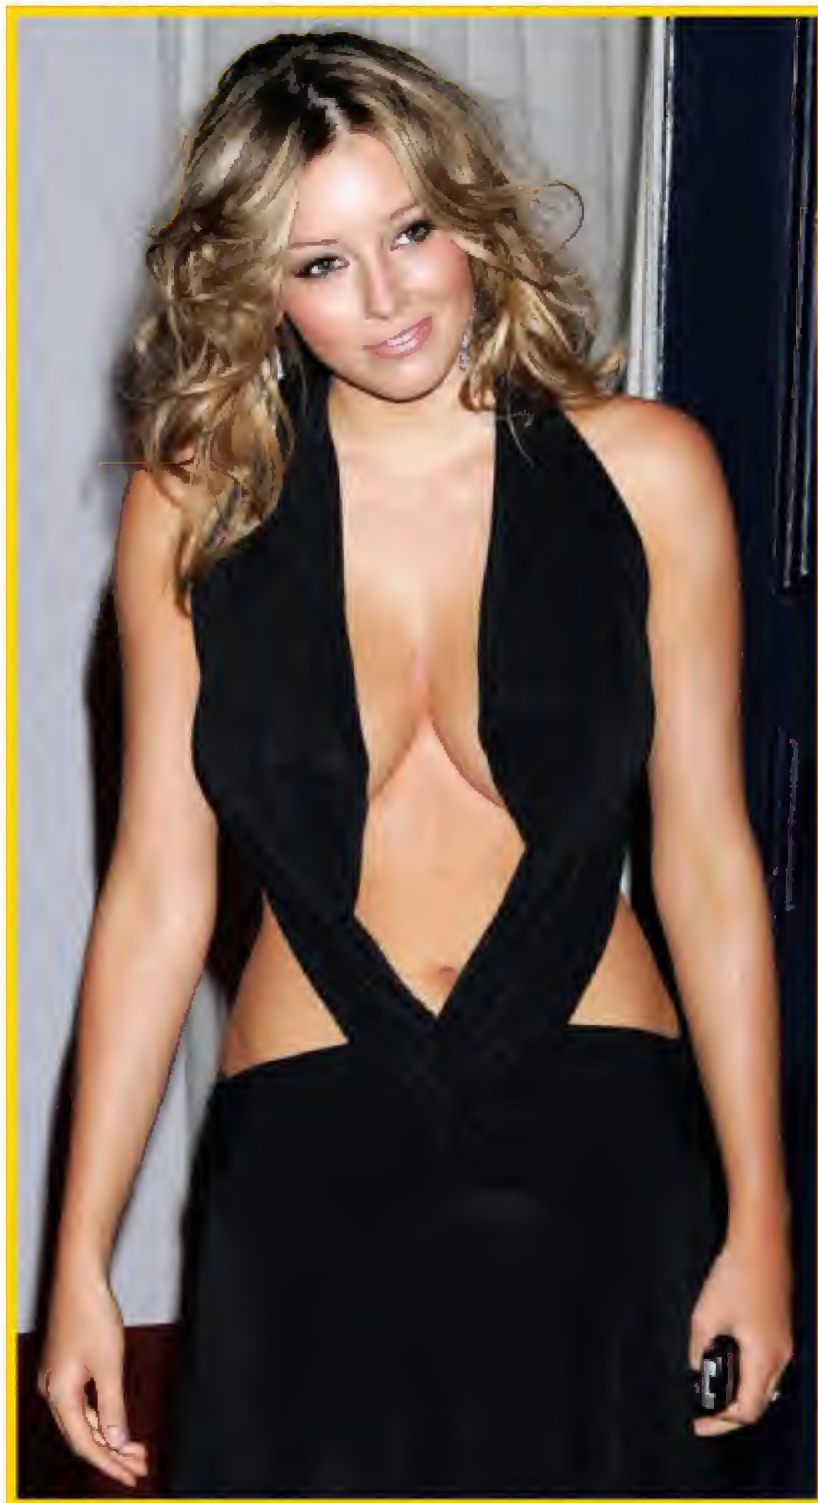

BORN: August 12, 1971, Hazard, KY

SEXY SIGHTINGS: We guess when you're married to *Grey's Anatomy's* "Dr. McSteamy," all that hot lovin' makes even the sweetest of southern gals wanna cool off them titties! Seen here spending some bun-sunnin' time on a luxury yacht off the coast of Sardinia, Rebecca doesn't seem to have a care in the world except for sluicing the saltwater from her curls and making sure her rosy-nipped, perky boobies are evenly tanned! She's very all-American, but this gams-blessed girl actually has some "street cred"...she appeared in Heavy D's video for his hit, "Nuttin' But Love!"

BECCA'S BUOYANT 34Bs: Jewel-eyed Gayheart launched her career as "The Noxema Girl," washing her striking face with the creamy, good-for-your-skin goo in many commercials. Most recently, she appeared on *Ugly Betty*—as pretty Jordan!

KEELEY HAZELL

BORN: September 18, 1986, Lewisham, London, England, UK

SEXY SIGHTINGS: Brits call 'em "lovely jubbies." Stateside, we use their rightful title: QUITE POSSIBLY THE MOST PERFECT PAIR OF 32E, ALL-NATURAL TITTIES EVER MADE! We cover the gams-'n'-cans gamut of celeb T&A, but Keeley's one perfect-bodied angel we *never* get enough of. Now, if only we could get our mouths on her exquisite, *huge*, pink-nippled mamms! In *Cashback* (2006, right), she plays the kind of role they give to strumpet starlets—"Frozen Girl in Sainsbury's"—and literally gets *frozen in time* by an insomniac cashier who undresses and ogles her at his leisure. Next time Keeley makes a snack run, we *definitely* want in on the fun!

HOME GROWN HAZELL: Cupcake Keeley was recently hailed by Britain's Conservative Party for being an environmental hero, citing her advocacy of sex with the lights off and, uh, using digital cameras. She's 100% natural—and one with nature!

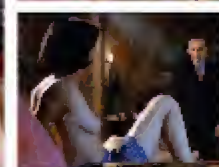

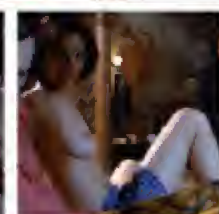

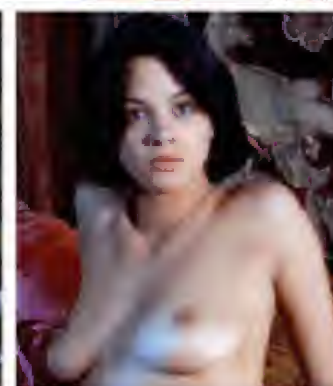

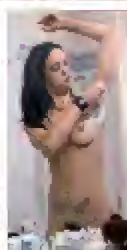

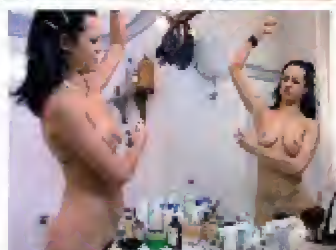

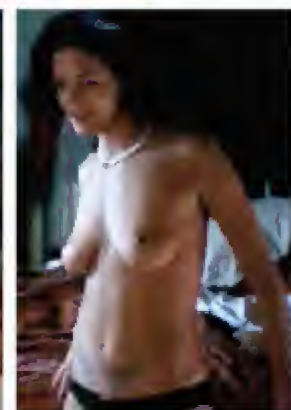

ASIA ARGENTO

BORN: September 20, 1975, Rome, Italy

SEXY SIGHTINGS: She's the daughter of *giallo* maestro Dario Argento, so no wonder Asia takes it to the erotic edge both on and off screen, displaying some of the rawest sexuality in cinema today! As an in-*er*-face "rebel without a *bra*," she gives a scorching, groin-grabbingly gritty performance in her self-penned directorial debut, *Scarlet Diva* (2000, this page and opposite, top and left), playing Anna, an Italian actress who mirrors Asia's real-life image via her penchants for drugs, excess—and sex-cess! As Anna, Asia explores every sordid aspect of being an international sex icon, baring her soul and 100%-natural tits with arousing, fierce-'n'-foxy abandon!

EXTREME ASIA: *B. Monkey* (1999, above right) is the movie Asia credits with allowing her to explore her untamed sex wiles. Today, she says, "In Italy, people think I'm a cliché. The dark lady, the bitch from hell. All they can see is that I'm naked."

COCO

BORN: March 17, 1979, Palos Verdes, CA

SEXY SIGHTINGS: Oh, Coco...why so loco? Fashion-wise, from the neck up, sometimes it's hard to fathom the audacity of this truly *bodacious* booty-queen's wardrobe malfunctions. From the neck down, though—all we can focus on is her *asstastic junk-in-da-trunk-tion!* Combined with her 39DD *love-whoppers* and thick, curvy thighs, we ogle Coco and can't help wondering why she and her rap-icon hubby, Ice-T, ever leave their bed! This woman is built like a brick *prick-palace* and every ensemble she wears for nights on the town makes us wanna go down...on Coco's creamy mound!

After doing some research, we discovered that the annual tradition of booze-soaked, sex-saturated coed debauchery known as Spring Break actually started shortly after World War II. Interesting enough...but hardly as interesting as the photos we've got for you from America's most boobs-'n'-buns-covered beaches!

There's etiquette involved in getting refreshed whilst whiling away the steamy, any-swing-goes daze in Key West, Florida. If you're thirsty for Sex on the Beach, strip to your skin and take the plunge as racy Kacey does here, cooling off her smokin'-hot bod with a water show guaranteed to make wet willies go Key West wild!

Another way of gettin' lots of alpha male at-tit-tion in Key Breast is de-mamms-strated by cutie Chloe (opposite page) & cum-pany, who know that tan lines or no tan lines—real, raw, raunchy girls take center stage at bar bashes by unleashing the “devilish” in their flesh and lettin’ them pretty titties hang loose!

Seen (and what a steamy scene it is!) to your left, care-free Kacey spreads it wide enough to make any dude *cream*! Pack light for *Spread Break*, cuz once the Alabama Slammers and tequila shots start flowin', the only place yer clothes are goin' is *off*! A bag full of thongs is all any hottie needs to please the dudes *and* their *dongs*!

Cover charge: \$5
Impressive gold jewelry: \$1000
Hair gel & cologne: \$83
Black dress pants: \$90
Tequila shots: \$69
Pierced, blond, half-naked hottie coed
with huge tits letting you fondle the
goods—PRICELESS!

Wouldn't you like to be the lick-guard on duty for the juicy booty below? Lake Havasu, Arizona is the perfect Spring Break git-some getaway when it comes to "Havasuing some ass and eating it, too!" Cuppable asscheeks seek out the sunshine in this arid clime...and every hottie's lookin' for a gooey-good time to get sprung!

TIFFANY BOLTON

BORN: August 21, 1971, Houston, TX

SEXY SIGHTINGS: If you ever find yourself wondering what Tiffany Bolton's breasts have in common with two oranges...look no further for your answer than to the immediate right of this box! We can't quite remember *how* the fruit factors into the fuckfest that ensues in this particular *sex*-isode of *Black Tie Nights* (2004, spread); we admit we were too worked up watching Tiffany, playing *cum*-ly Cooper Snow, take it *all* in a *shower stall*! Move over, Michael, because we've *finally* found a Bolton we can actually bear! For even more *t/t*-illating Tiffany, check out: www.tiffanybolton.info.

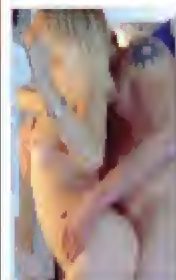

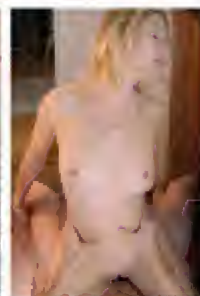

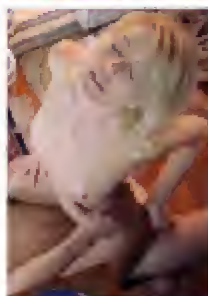

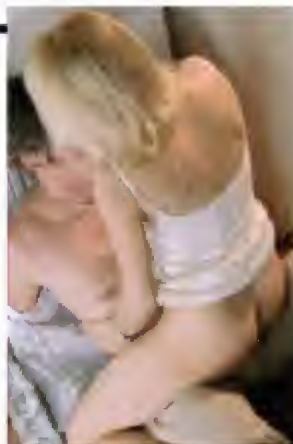

TIFFANY'LL GIVE YOU A "STIFF-ANY!": Don't even bother to ask us about what's going on with the bird in the otherwise-hot takin'-it-from-behind scenes above. We can only guess that he's a big enough bird to not be afraid of a little...pussy....

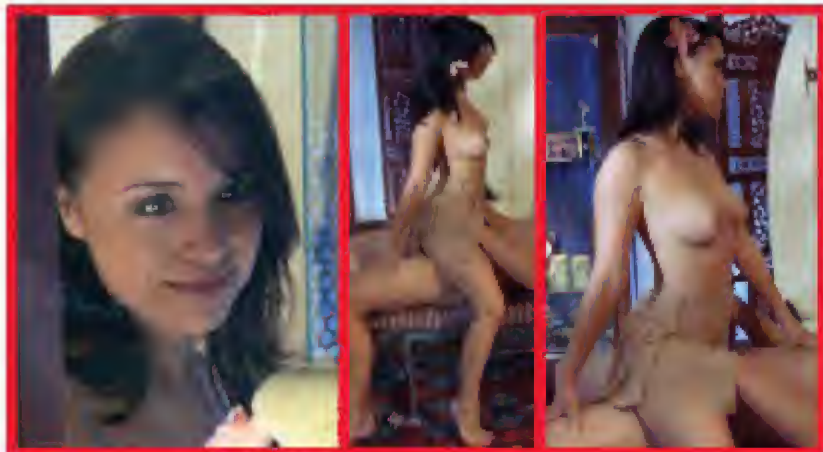

BLACK TIE TEASERS

ANGELA DAVIES

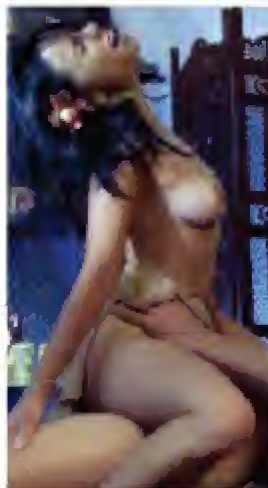

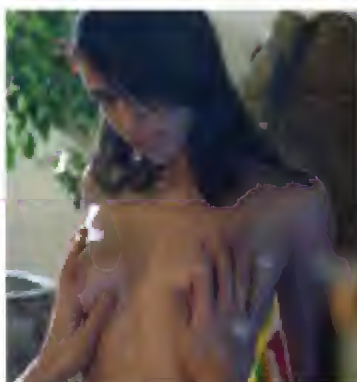

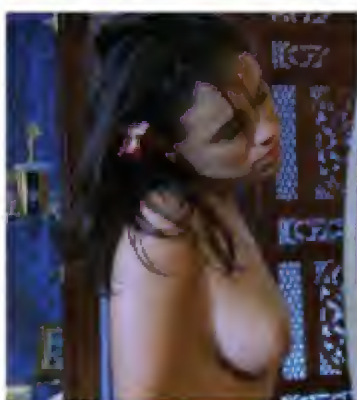

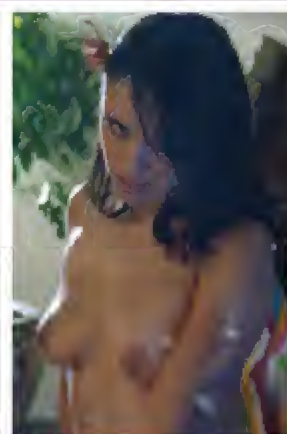

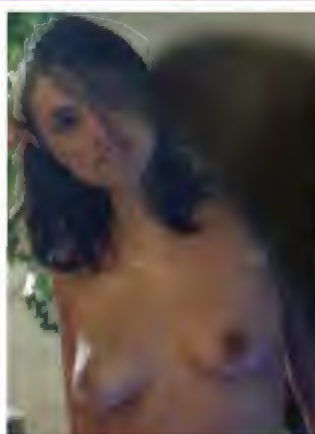

SEXY SIGHTINGS: Known for always giving fully of her fair flesh in any primal performance, this bitty-boobs blonde (who bears a resemblance to McCartney's ex, Heather Mills) affirms the woman-on-top sexual-power paradigm that permeates *Black Tie Nights* (2004, all)—not that we're complaining! After all, aggressive women are inevitable when two best galpals, comely Cooper and orgasmic Olivia, open an exclusive dating service where every date ends...the morning after! Their *cum-pany*, Black Tie, owes much of its Vegas Strip *suck-cess* to all-access employees like Angela, who plays Ginal. One look, and every "client" wants to ream her!

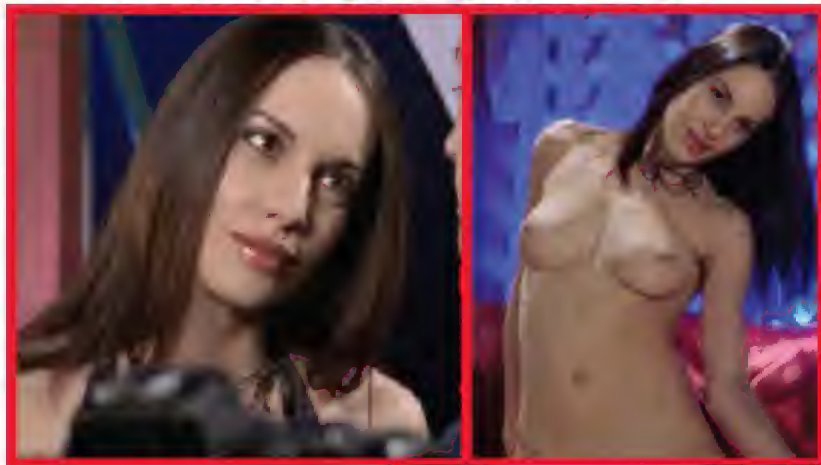

TANYA LEMELLE

SEXY SIGHTINGS: You'll want Tanya *on ya* after viewing (and re-viewing!) her scorching *puss*-formance in *Black Tie Nights* (2004, all)! As Tahitian-styled Tiffany, one of the more exotic dates available through Sin City's premier dating service, Tanya tucks an orchid behind her ear...before giving up her juicy rear! With her taut-'n'-tattooed tummy and innocent-angel appeal, Tanya's the cooze-cutie of *Black Tie*; any guy who visits Vegas and wants to get rode hard and put away wet by a brunette babydoll in a miniskirt can't resist her ripe, lil' rump and the way she writhes and pumps! Here, a tattooed Tom falls under the sex-spell of luscious Lemelle!

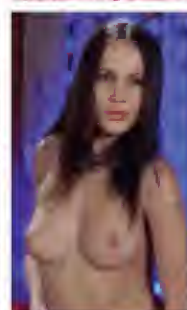

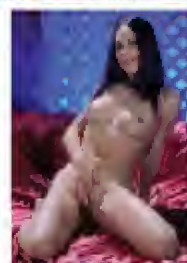

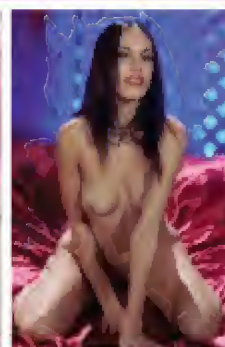

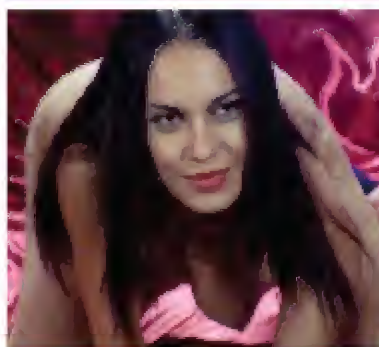

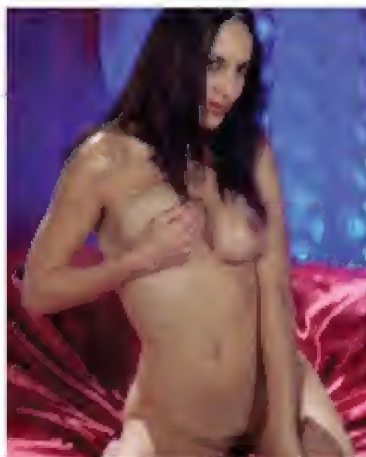

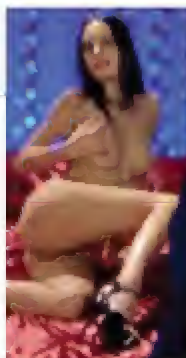

ANDER PAGE

BORN: January 28, 1980, HI

SEXY SIGHTINGS: You won't be interested in *Leaving Las Vegas* once you get to know Black Tie, the premier dating-n'-fellating service of our nation's tawdriest town! As Lola in *Black Tie Nights* (2004, all), Ander's worth way more than a passing gander; her edgy, bad-girl shoulder-blade tattoo and glossy, black locks make for cock-pounding perfection as she sinfully satisfies the needs of even the *perviest* erections! Seen here down on her hands and knees in satin-sheet splendor, Ms. Page is all the rage with Vegas vacationers who have time on their hands...and wanna get their hands on this classy piece of ass with the perfectly waxed gash!

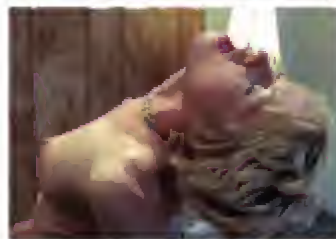

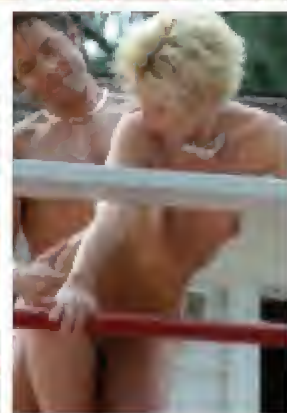

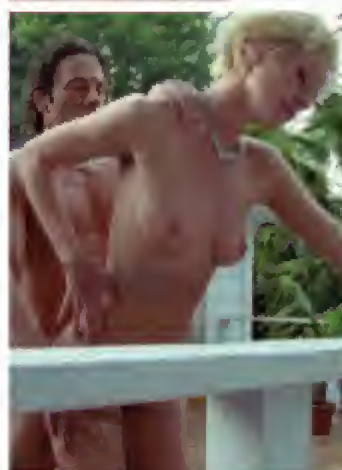

BEVERLY LYNNE

BORN: October 31, 1973, PA

SEXY SIGHTINGS: If you like your women blond, a little “butch,” bountifully bottomed—and ready to go a few rounds in the ring—look no further than the discreet and ultra-accommodating dating services offered by Black Tie...where *pussy-pie* is always on the menu! As the insatiable and always available Candi Hicks of *Black Tie Nights* (2004, all), bootycall Bev gets her licks in—and bends over nicely when her date puts his dick in! As Black Tie’s requisite “chick boxer,” Bev as Candi specializes in the “T.K.O.” or—*Totally Karmic Orgasm!* A former cheerleader for the Philadelphia Eagles, bad-ass Bev is a real-life—and raunchy-raw—resident of Vegas!

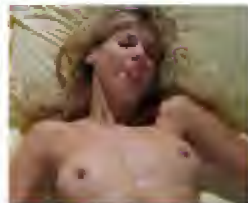

BLACK TIE TEASERS

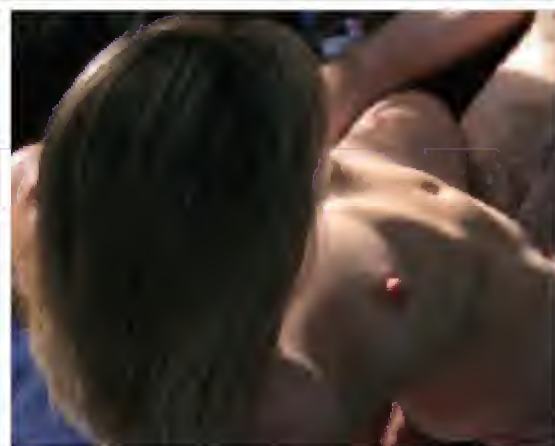

AMY LINDSAY

BORN: Columbus, OH

SEXY SIGHTINGS: With her seen-it-all, sapphire-blue eyes and willin'-n'-able-to-do-it-all body, Amy's the kind of brazen blonde you want all soaped up in your tub-for-two, or spread out on your bed for every kind of pleasure! As Olivia Hartley in *Black Tie Nights* (2004, spread), Amy's Olivia put the "O" in many an O-face—mostly through her insatiable, woman-astride sex rides! In this show about two ballsy, biz-minded and very *ball-able* Vegas vixens who start a dating/mating service, Amy's so hot that she's *always* on top—no matter the position! This tall honey's all class, sass and a *lotta* curvy ass! Get enough Amy to make yer arm ache at amyilindsay.com.

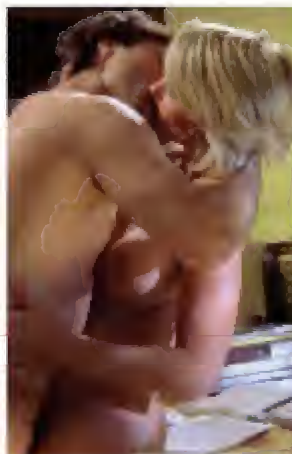

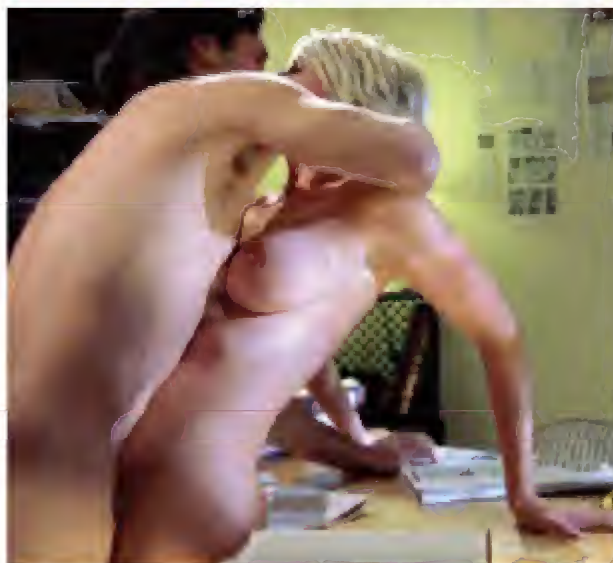

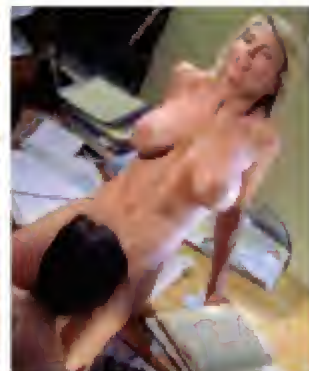

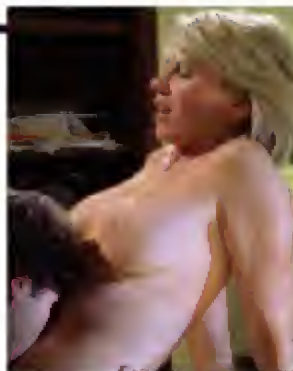

AMY ASTRIDE: In *Nights*, what happens in Vegas...happens inside of Amy's hot, sweet pussy! High rollers skip the casinos, magicians' shows and bargain buffets for the "loosest slot"—and let Amy give 'em the lay-for-pay that redefines Sin City!

TAMIE SHEFFIELD

BORN: Mechanicsburg, PA

SEXY SIGHTINGS: This self-professed adrenaline junkie and certified scuba diver lives her life by one of her favorite quotes, fatefully uttered by the late, great James Dean: "Dream as if you'll live forever and live as if you'll die tomorrow." Taking that into consideration, we here at *Skin* would like to dream as if we're seducing Tamie and live as if we're getting rode hard and put away wet by Tamie! This indomitable blonde is also a former professional wrestler, and perhaps that's why her *groin-grappling* skills are so impressive in *Black Tie Nights* (2004, this page and right)!

TOUGH-TITTIES TAMIE: Tawny, toned Tamie appeared on—and won—*Fear Factor* in 2003! For that alone, we'd call her a ballsy broad, but watching her tit-filled sex scenes in *Nights* just makes us realize how *ball-able* she is in *every* position!
